- We operate a ‘first come first serve’ daily list of patients to be seen
- You must **book online (preferred), call (preferred)**, to get on our daily list or walk-in.
- We are open for anyone – whether you have a pediatrician at the Thrive Kids Clinic or not.
- After visiting at our Walk-in Clinic, please follow up with your own primary care physician.
- We strive to see all patients within 1 hour of arrival at the Clinic. However, depending on the time of day and time of year, wait times could be longer.
